

STUDENT PERMISSION FORM

I give my child _____ permission to leave campus for lunch time. I release San Fernando Valley Professional School and the administration/staff from liability in case of injury or accident during this time. I have reviewed safety procedures with my child, including crossing at crosswalks, staying and returning with the people who accompany them, and refraining from talking to strangers.

In addition, my child is aware that leaving campus for lunch is a privilege based on appropriate behavior and following the above mentioned rules. Any student leaving for lunch is expected to return to campus ON TIME. Those students returning late may lose their privilege to leave campus during lunch.

*Please note that for safety reasons, we cannot allow students to ride with other students to lunch off campus, except for certain situations such as siblings or if it has been pre-approved by all parties involved (determined on an individual basis)

(Both parent/guardian and student must sign and date)

Parents Signature _____ Date _____

Student's Signature _____ Date _____
